Martin,

Many thanks for your email, which has been passed to me to provide a joint response on behalf of both authorities.

Your comments and concerns regarding the status and future of the tennis club in relation to the proposals for the redevelopment/regeneration of the Aviation Way Estate and the creation of the new Saxon Business Park are noted. I can confirm that the officer team working on the Joint Area Action Plan (JAAP) is aware of these issues.

It is hoped the next version of the JAAP will be published before the end of the year and there will then be an opportunity to scrutinise the plan and the detailed proposals map and make representations if you consider the interests of the tennis club have not been adequately dealt with.

Regards

Shaun Scrutton
