Dear Mr Powell,

Thank you for your email.

We are not currently consulting on the final pre-submission version of the Joint Area Action Plan. We are expecting to start consultation next month, although a definite date has not yet been agreed.

I would like to point out, however, that a draft version of the final Joint Area Action Plan has been prepared and was considered by Rochford District Council members at The Executive on 5th December 2012. This draft document can be viewed [here](#).

I hope the above is of use, but should you require further information please do not hesitate to contact me or any member of the Planning Policy team.

Kind regards,

Natalie Hayward

Dear Shaun

Further to the recent announcements that the JAAP has now been revised, approved by members and is available for consultation and comment, would you be kind enough to furnish me with a copy or a hyperlink - Thank you

Martin,

Members have asked us to investigate further several issues and this has slightly delayed progress on publishing the next version of the document. I don't think we'll get there until the New Year, but your concerns are being considered as we finalise the proposals map and policies.

Regards

Shaun

Shaun

Any update, or expected date of one, as per your email?

Thank you
