Our Coaches – Matt, Gemma and Martin: We are able to offer coaching with accredited and licensed coaches. Matt is a top 75 national player together with Gemma who is a Lawn Tennis Association high rating player who have both performed on the national tennis circuit. Martin is an accredited LTA Coach for Mini-Tennis and Adult beginners who plays regularly at club level and has years of experience of working with children and young people. Kent Elms Coaching feels we are very fortunate to have coaches of this capability and experience who will engage, encourage and empower our young and adult students to develop their tennis skills together with providing a friendly and enjoyable coaching environment.

Child Protection

We hold a current ECRB checks and have a robust child protection policy and take your child's welfare and safety seriously whilst at the same time ensuring they can enjoy their tennis experience and progress at pace that they, and you, are happy with.

Here's a thought

As Christmas, Birthdays and Special Occasions approach you may be wondering what to get someone close to you or a friend. This might also be something you want to share with your friends in case they are struggling for ideas.
